Chapter 1

Street Network

Figure 1.1: Draw maps for the region's streets, one for the major highway corridor, one for local major streets and one for the specific neighborhood.

Figure 1.2: Draw maps for the region's water, one for the ocean and major shorelines of your watershed, one for major rivers or lakes and one for immediate drainage.

Figure 1.3: The path of this book: people. Put your name, logo, symbols, signs, links, social media, contact as you see fit, then pass the book along to the next person.

Figure 1.4: Keep a record of the travels of this book.
